CIA-RDP78-05867A000301130041-7

~~25X1A~~

The image is a dark, high-contrast scan of a document page. It appears to be a microfilm or a very dark photograph. The page is mostly black with some faint, illegible markings and a small, light-colored rectangular area near the top center. There are some vertical lines and a few small, light-colored spots scattered across the page, possibly due to the scanning process or the original document's condition.

Approved For Release 1990/09/21
